

INITIAL REGISTRATION

Supplemental Information

Firms are required to provide the following additional information for Initial Registration:

Office Information

Update Office Information as necessary. Note: If the firm has only one office, the firm information must be input a second time under office information by clicking on "add office".

Authorized Individuals:

Name, title and professional designation of each individual authorized to sign the financial statements of reporting issuer clients.

Client Information:

Name, fees charged (audit fees, audit-related fees, non-audit fees) and whether the client is an SEC registrant, for each reporting issuer client.

Note: Firms will also be asked to download a Participation Agreement and return a signed hard copy to the CPAB.
